

Learning opportunities and workshops at High Peak CVS

One of the key services we provide to local voluntary and community groups is training and workshops to enable your group to run more efficiently.

A copy of our current programme is enclosed. You can also visit our website to view sessions that we run, and sessions can also be booked online:
www.highpeakcvs.org.uk/training/events.asp.
 We keep the prices of our courses as low as possible: many are free!

We aim to have a flexible and informal approach to designing our training programme, and one of the biggest

influences in this process is input from the groups that we work with. We strive to meet and enhance the ever changing needs and skill base within our membership. So, if there is something you would like to see in our programme, or you want to give use feedback about our training and workshop sessions, please either use the form below or talk to Nicola on 01663 735350 or e mail nicola@highpeakcvs.org.uk
