

Review of Grant Funding by Derbyshire County Council

<p>Derbyshire County Council is looking at changing the way it gives money to groups.</p>	
<p>This money is called a grant.</p>	
<p>Most grants are given for an agreed length of time – this can be 1 year, 2 years or sometimes longer. But not all grants are agreed in this way.</p>	
<p>There are 62 grants that are given to some groups every year with no agreed end date.</p>	
<p>The Council wants to make ALL the grants have a set and agreed length of time. This could be 1 year or 2 years or 3 years.</p>	
<p>The Council would like to know how any changes to this way of funding would make a difference to groups.</p>	

<p>Question</p> <p>Do you agree that a grant given should have an agreed end date?</p>	<p>Yes or No</p> <p> </p> <p>or Not Sure</p> <p></p>
<p>Question</p> <p>Can you say why you think this?</p>	
<p>Commissioning is a term used to describe how the Council gives out funding to groups, to get the best outcomes for people.</p>	
<p>There are a set of rules that are followed so that it is fair to all groups. The Council would like to know your views on these rules.</p>	
<p>These are the rules</p>	
<p>The group helps the Council to meet its legal duty to provide certain services like schools, roads, public transport.</p> <p>Question</p> <p>Do you agree with this rule?</p>	<p>Yes or No</p> <p> </p> <p>or Not Sure</p> <p></p>

<p>The group activities are worth the money that is spent, helps the Council with the things it thinks are important and it means activities are spread across Derbyshire.</p> <p>Question Do you agree with this rule?</p>	<p>Yes or No</p> <p> </p> <p>Not Sure</p> <p></p>
<p>Question Do you think using these rules will make a difference to your group?</p>	<p>Yes or No</p> <p> </p> <p>or Not Sure</p> <p></p>
<p>Question Do you have any other rules that you would use that would make it fair and gets the best activities and services for residents?</p>	
<p>Question Do you agree that if the group, and the activities the group does, do not help the Council, then they should not get a grant?</p>	<p>Yes or No</p> <p> </p> <p>or Not Sure</p> <p></p>
<p>Question Would it make a difference to your group if the rules mean that your group no longer had a grant?</p>	<p>Yes or No</p> <p> </p> <p>or Not Sure</p> <p></p>

Question

If the Council changes the way that grants are given out, would it make a difference to any groups of people you know of, like older people or people with a disability?

Yes or No
 
or Not Sure
