

WHO WE ARE

High Peak CVS aims to promote **community & voluntary** sustainability in the **High Peak** area. We are here to ensure the voluntary sector can thrive. Through specialist **support, advice, group development** & identifying **funding**, we can help.

In addition to this we run vital services such as **Bereavement** and **Social Prescribing** that are at the heart of supporting the people of the High Peak community.

TIME FOR WELLBEING

We had a wonderful team day at Beardwood. In a world of laptops and Zoom meetings, it was brilliant to meet up in person and enjoy the incredible High Peak surroundings. If your organisation are looking for something a bit different, click the button and learn about the Beardwood Natural Living Project.
